FRIENDS OF PHOENIX PTA SPRING 2020 NEWSLETTER

MESSAGE FROM OUR CHAIR

As many of you know, the friends of Phoenix PTA support the school throughout the year. We work closely with the school to enhance learning experiences and support activities throughout the year for both Phoenix students and families. We look to support the school in many ways such as fundraising for an exciting new library and community space, support workshops, school trips and events for the children throughout the year and arrange those much-wanted social functions for all to get involved and have fun!

THIS YEAR SO FAR...
